OF STATE ENGINEER

This is to certify that I have examined the foregoing application, deny and do hereby ~~grant~~ the same, subject to the following limitations and conditions: denied on the grounds that the granting of a permit, in instances where requested information is not supplied by the applicant or the successors in interest, and where the applicant can not beneficially use water, would be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

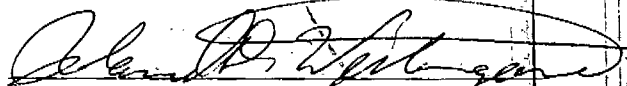

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before
